Data Cleaning

Muhammad Ariff Izzham Burhanuddin

Software Developer | Data Science

WP. Kuala Lumpur, Federal Territory of Kuala Lumpur, Malaysia

Summary

Tech Tanjak !

Im interested in technology and tradition. I hope these two can be combined to advance in the future. I want our country and world to be more developed, but at the same time want to take care of the natural resources in this world. - Hm Still thinking

Experience

TM Research & Development

Software Developer

September 2024 - Present (11 months)

Enygma.Ai

Software Engineer

March 2024 - June 2024 (4 months)

Greater Kuala Lumpur

- Trained new model for Object Detection and labelling about 1000+ images
- Assisted Sr. Software Engineer in developing system
- Deployed S3, Cloudfront and Lambda Functions in the AWS Console using Terraform
